SKILLS

- Teamwork
- Time Management
- Leadership

CERTFICATIONS

- **Digital clock using 8051 microcontroller (IOT)**
- **I am certified in the C programming language.**

LANGUAGES

- English (Fluent)
- Telugu
- Hindi (Intermediate)

CAREER OBJECTIVE

To obtain a challenging role in a reputed organization that offers opportunities to apply my skills, learn new technologies, improve my abilities, and add value to the organization's success while growing in my career. Eager to learn new skills and adapt to changing environments.

KEY SKILLS

- Programming: C, DSA with Python(Basics), Basic HTML.
- Soft Skills: Adaptability, Teamwork, Communication Skills, Problem-solving.
- Technology: HTML, AI Prompt Engineering(Basics).

ACADEMIC PROJECTS

A Low Power 23-25.5Ghz FMCW Rader Transceiver In 65nm CMOS Technology

Less power consumption,increase in efficiency and gain

- This work presents a compact, fully integrated FMCW radar transceiver for AIoT applications, operating in the 23–25.5 GHz band.
- Implemented in 65-nm CMOS, it achieves ultra-low power consumption while maintaining suitable RF performance for energy-constrained edge devices.

IoT Based Integrated Smart Home Automation System

Smart solutions for home automations technologies based on IoT.

- Tools & technologies: NodeMCU (ESP8266), Arduino Uno, 4-channel relay, PCB (KS100), LED, battery.
- IoT-based home automation system monitoring thermal (temperature, humidity) and visual comfort within acceptable ranges

EDUCATION

BTECH | ECE | Jyothishmathi Institute of technology and science | Karimnagar 2022 - 2026
CGPA : 7.4/10

Diploma | ECE | Mahaveer institute of science and technology | Hyderabad 2019 - 2022
CGPA : 7/10

10th | Alphores high school | Karimnagar 2018 - 2019
CGPA : 9.3/10
